Dear Classmates/Friends:

A few of us are planning a fun weekend (October 26-29) for a class reunion. Is it possible? The old cliché "old friends are the best friends" seems more relevant as we get older, wouldn't you agree? That's why it's important that we renew those friendships and reflect on our past and the great experiences we had during our teenage years. We are dwindling in numbers, but not in spirit, and we look forward to seeing as many of you as possible in October. We (the Class of 1955) are opening our gathering to all who wish to be included in a reunion plan.

Hope you are all well, and that we can enjoy a memorable weekend together again.
